“ Daniel, I had to go to the funeral home today to pick up more thank you cards. Heid came by today, we still can't believe you are gone. I heard your "Daniel" song today. Of course I cried I miss you so much. I jsut wished had kissed , hugged, and talked to you more. That will always be a regret of mine. But one day, I will be with you again. I love you so much. I spoke to your friend Shanelle today, she was sorry to hear about you. God, I miss you. kiss you everyday and every night. I lay awake and think about you. “ To the Mother of Daniel Green. I read your entry. I am so sorry that you are going through this. If Adam and Eve would not have sinned, We would not be dying, or loosing our love ones to death. Is there any hope for the Dead? Most people who have died will be resurrected. Jesus promised that "those in the memorial tombs willl..come out." (John 5:28,29) In harmony with Gods original purpose. those resurrected as humans will have the oppourtuity to live on a paradise earth. (Luke 23:43) This promised future includes perfect health and everlasting life for obedient humans. The Bible says: "The righteous themselves will possess the earth and they will reside forever upon it." Psalms 37:29. See also Job 14:14,15: Luke 7:11-17: and Ats 24:15. This means that you will see your Daniel again in perfect health and on a paradise earth. I to look forward to seeing my son again. For further comfort you can contact me at the e-mail address above, and also the local KIngdom hall of Jehovah's Witnesses, in your area.##imported-begin##FH##imported-end##

“ Daniel, this just does not seem real. Seems like just the other day you were down at the house playing kickball in the street or baseball in the backyard, or just hanging out with Matt. I cannot imagine the pain your mom and family are going through. I pray that God will wrap them in his loving arms and lift them up and give them strength. You will surely be missed. God Bless You Daniel.##imported-begin##Dorothy Sexton##imported-end##

“ Daniel, today is the day, I have to say goodbye to my baby. I can not even tell you how I long to hug and kiss you and tell you just one more time how much I love you. God knew I needed these last 2 months with you. I lay in bed last night with your sweatshirt hugged up to praying I would wake up and all this would be a dream. Well, I woke up, and it's not a dream. Today is gonna be the hardest thing I have been asked to do. But, you will get me through it. I remember the dream I had the night I found out you were not coming home. I was scared and when I opened the door, you were standing there and I told you that I was scared. You hugged me and told me it would be ok. I am sittin ghere looking at your birth certificate, now at the end of the day, I will have your death certificate to put with it. I can;t believe it has been only 28 years, but God blessed me with your birth and 28 years. Its hard to believe, but I have to believe God knows what he is doing. I have to get through this today, Daniel give me strength. I wish I could do this all over again, I would in a heartbeat. Even the hard times. I love you so much Daniel Allen-Scott Green. I will always and forever wish I just had 1 more day. Mama##imported-begin##Denise Puckett (mama)##imported-end##

“ I will always remember Daniel as a young boy, playing with Kyle Heard and being all little boy with Kyle, laughing, playing, arguing, fighting, competing, pretending,in love with life and all its opportunities and dreams and ideas and fantasies that only a young, happy boy can have. he had this smile that beamed with happiness and silliness and made the world smile with him. He was a wonderful gift from God who touched my life with memories or happiness. He is now with God, at peace, looking down at all of us with that wonderful smile.

May God bless Denise and Jimmy and the Neisler and Puckett families in this loss and may he help them to find peace and comfort in dealing with this change in their life.

With love, Ed##imported-begin##Edward Triebell##imported-end##

“ I love and miss Daniel so much. He was such a good person and he always had a smile on his face. He left this world at such a young age but God has a plan for us all and now Daniel is with him smiling down on us. No more sorrow, no more pain, I have peace knowing I'll see you again one day.##imported-begin##Kim Heard##imported-end##
