“ Dear Lethgo family. I am so sorry for you to go through this hard time. I remember when Richard went to bring Daniel home to meet his Grandparents, & Uncle Randy. You have all provided so much LOVE for Daniel. There never need to be any regrets, Daniel was so loved and cared for by the whole family. Over the years Virginia has shared so many moments about her Grandchildren with us her friends. Loving thoughts are with all of you. Cecily Scarborough, a Forever Friend to your family.

“ Had I known you would leave me so soon I would've gotten recent pics. These are all from middle and high school. You and I became extremely close friends and at one point you got me through one of the hardest points in my life. I love you so much and I'll never forget these memories with you.

“ Daniel was a good friend of mine at Loganville High School. Over the few years I knew him, he always brought a smile to the faces that had the pleasure of meeting him. One of my favorite things about him, is that he would always tell it to you straight, even if it wasn't what you wanted to hear. I never could have imagined such a terrible thing to happen to him. We will miss you Daniel, our thoughts and prayers go out to your family.

“ We had the pleasure of having Daniel visit us on several occasions. A bright and intelligent young man. Certainly a shock when we heard of his passing.  
Our prayers to you Richard and all the Lethgo family.
