“ My heart is heavy hearing of of the passing of my dear friend and fellow shipmate. We met in 1979 as young sailors and our friendship grew from there. He was energetic and always watched our backs. And he loved a practical joke...
Through his Navy career he has traveled the world. Standing watch through the years.
Rest easy my friend, we have the watch now...”

“ Danny was one member of the church to welcome me and to introduce himself when I first attended. Over the years he asked me if I would help usher at the 8:30 service and our friendship grew from there. I will always remember Danny as a wonderful friend and he would do anything he could for you. He was kind of quiet about his personal life and so I would just listen in confidence to whatever was on his mind bring non judgmental. Fast forward, when I told him we were moving out of state, he asked if it would be ok if he would call. I said of course. He would call 2-3 times a week and more if bad weather was approaching. I miss his calls and him and the last time we spoke was on January 31 at 5:34 PM. I'm sad but I'm joyful knowing he's with the Lord and brand new.
