“ *For some Reason Daniel came to my mind today. I dont know what it was and I thought I had not hear from him in quite awhile. Usually Id get some funny/sarcastic email every now and then. I decided I would look him up and was completely shocked and sickened to find out he was gone. I am so saddened by this!! Its been a couple of year since I had seen him. Im so sorry to the family. Im so sorry that I just found out. Daniel I miss your funny sarcastic ways. I hope you are at peace!! Missing you Denise Cowart Sirois*

“ *Daniel, I have so many fond memories...one that seems to resonate in my mind the most is when you brought me a stuffed fake fish from Chili's when you visited me in the hospital after my car accident. Thank you for bringing so much love and laughter to your Norcross Chili's family!! Miss you and I'll see you in heaven!!

“ Daniel and I formed a wonderful friendship through the medium of social media..and even though we never met in person I feel as though he shared part of himself with me he may have never shown anyone else. I loved him and he loved me and I am so sad to hear of his passing and all the things that never have the chance to be. He could make me laugh through tears and it will always be my favorite emotion. All the best to his family and friends that had much more time and many more memories. In the next life, Daniel. ❤️
