“ Daniel, brother I miss you so much they say time will heal, not true! My heart misses everything about you. It's not fair u left us so early. U should be here watching your niece and nephew grow. Brendon never got to meet you but his middle name is Daniel.i talk about you often. I hope your watching down on us and I hope you see the balloons and lantern we let off in the sky on your birthdays.. U broke my heart Daniel the girl who never cried broke when you left us. But I live you with all my heart. I'm not mad at you but I'm very sad.
Love you so much

“ Dear Shell family, I had the pleasure of knowing Daniel, we became friends in 7th grade @ Shiloh Middle and until now. Daniel and I became closer and closer as we moved on to high school and I just wanted you to know that Daniel was one of the most perfect example of a friend a girl could ever have. My love and prayers go out to you and to give you strength, he's with God and i asked my sister to take care of him in heaven. Be strong and keep Daniel in your heart, I am. Luv u Daniel.##imported-begin##Camillia Fullwood##imported-end##

“ Dear Shell family, I had the privilege of being the paraprofessional in Daniel's 2nd grade classroom at Britt Elementary. He was a joy to be with. His smile lit up the room! Even though it has been thirteen years, I remember him like it was yesterday. I still have a picture of him and a thank you note he wrote me in my "Sunshine" file. There are only a few items in there from those who made a difference in my life. His note will always be there. My prayers are with you now and in the days to come. May the Lord grant you peace.##imported-begin##Mary Ann Russell##imported-end##

“ Dear Shell Family,
I don't know if you remember me or not, but I had the pleasure of teaching Daniel while he was at Britt Elementary. I was very saddened today to learn of his death. Daniel was a very sweet and loving young boy with a precious smile and I can see from his picture, he grew into a very handsome young man. Please know that you and Daniel will be in my thoughts and prayers.

Sincerely,
Betty Ann Schoeneck
