“ To Mary, Ray, Sherry, Jason and family-I am so sorry for your loss-but thankful for the blessing that has occurred. Danny is finally well. I had great pleasure in taking care of Danny during this past hospital admission. My deepest sympathy goes out to all of you in this time-especially Ms. Mary. You did a wonderful job in taking care of your child and know he loves you very much. I can only hope to be the kind of mother you are and have the type of bond you and Danny shared. We all at Newton ICU love you guys and have you in our thoughts. Much love to all of you guys...You are in my prayer...God bless you along with Danny...He was a blessing to have as a patient.##imported-begin##Desiree McClendon, RN##imported-end##

“ Dear Mary, Ray and Family,

Our hearts grieve with you at the loss of a very wonderful son. I remember when I first met Danny back in the 70's when he was small and into everything. He never let his disability become a challenge for him and thrived to do the best at everything he did. I always called him "My Special Boy" and he was. He called me his girlfriend, even though I was in my 20's at the time. I will forever hold him in my heart and cherish every minute of everyday that I have known him. God Bless all of you.
