“ *I will never forget the first time I met Dao. It was when her mother, Alp, had just brought her here from Thailand. She could hardly speak english and she called me "Jello" because she couldn't say my name correctly. We were inseperable until we were about 20 years old. Even though we didn't see each other every day like before, we always knew that we were best of friends and nothing could stand in the way of that. We called each other cousins because that's how close we were and our families as well. I will miss you dearly, Dao. You will always be in my heart and I'll see you when I get there. I love you and I will take care of your mom and Caroline, so don't worry.##imported-begin##Cheryl Watkins##imported-end##*

“ With loving memories I remember the trip to Thailand. Dao said “you will never have a opportunity to go to Thailand”, and kept calling me and became my inspiration. I spent two weeks with her and her loving Mother Alp and her sis Caroline. I am honored to have met Grandma and several Uncles, Aunts and family that showed us a good time. The friendliness of her family was amazing .I will treasure these times .Dao never forgot me on any special occasion, I will never forget her. loving friend Lucinda AKA Nah Nah.###imported-begin##Lucinda Williams###imported-end##
