“ *I worked with Darceil and was always impressed with her positive take-charge attitude, always willing to do whatever it took to get things done, and not taking any shortcuts.*  
*My heart goes out to her family, especially her children, its never easy loosing a loved one, all we can do is think they are in a better place watching over us - and the love and memories keeps them alive in our hearts and mind.*  
*My condolences to all, Bob...*
