“ *Ms Darlene was one of my first patients starting out as a CNA. I got to know her pretty well. I will always remember her telling me about her little white dog named "Mandy". Also her love of Elvis Presley. Later I discovered she was at the same nursing home my great-grandmother was at. While I visited my grandmother I would also go see Ms. Darlene. I will always remember Ms. Darlene. I hope I made a difference in her life as she has mine. She will be missed. My heart goes out to her family, friends, and all who knew her.*

I would visit Ms Darlene every time I went and saw my great-grandmother at Park Place nursing home. She was a very special lady! “ *What a lovely lady. Darlene and I were next door neighbors in Shreveport as we raised our children. My thoughts go out to Tommy, Janice and Becky. We had many good times together, drinking coffee, etc. She could iron ruffles in Becky's dresses and they would look like brand new. She will be missed. Love to the family.*
