“ *My deepest sympathies and condolences to Darrell's family. Darrell was a friend of mine and along with Leonard Evans and Cecil Trammell, we traveled the country shooting in competition trap tournaments. I have the most fond memories of those times, Darrell's loyal friendship, and his humor and spirit. Although all of us grew detached from one another after we stopped shooting competitive trap, none of us ever forgot the friendship and times we all had together. Mr. Evans and Cecil are both gone now and I am the only one who remains. I will keep Darrell's family in my thoughts and prayers during these difficult times. Godspeed Darrell, my old friend!*
