“ *Dear Jackie,*

We are so sorry to hear of Darrell's passing.

Darrell and I did some running around back in the days in Lima, some fond memories.

He helped in removing some of the blackness in my days when my father passed away.

Although we lived miles away, I still considered Darrell as a close friend. He will be missed by many; because of this, in this time of mourning, this is a ray of sunshine to show he was a good man and friend to others.

Our prayers and thoughts are with you at this time and in the future. If we can be of help, please call upon us.
