“ My condolences . We all loved Darren . He was an awesome person . And loved Christ. Thank you Lord for allowing me to know him and be his friend. I remember him at the meat market and making me sick one time when we went in after school.with the blood on his hands and slapping the meat around cracked me up but grossed me out. I was laughing at him and gaging at the same time and he was having a good time grossing me out . He was funny . Loved him ! And always at a party . Wait then I guess if he was always at a party and i saw him there then that meant i was at all the parties too. Lol. RIP Darren . See you soon. party on dude
