“ *Darrin has been our nextdoor neighbor for 21 years. We couldn't have asked for a better neighbor. He was always polite, courteous and respectful. Always willing to help if we needed it. He even used to pet-sit for us with all of our animals. We will miss him.*

“ I did not know Darrin. But his wife, Mary Jo works for us and through conversations with her I learned two things. I learned that I felt like I knew him and the other thing I learned was just HOW MUCH Mary Jo loves him. Days will be somber, nights will be quiet, but Mary Jo, you have got to know that you took care of him, that he knows that you loved him and now he is at peace. He can walk, he has no pain, he is at peace. He will always be in your heart. Please let us know if you need anything. We are all here for you.

“ When I met Darrin it was obvious he was a man thankful for family and friends, especially his wife Mary Jo. We connected and cared for each other because we both understood health issues that we had challenges with. He share good news that there was hope for a treatment that could help him. I enjoyed our conversation both verbally and the space filled quietness as we were people watching on the front porch. I am a blessed person for having met Darrin! He will be remembered in peoples hearts as well as in my heart. Darrin is no longer in pain and I am so thankful for that ! God Bless his friends and family and all those who loved him and all those he loved.
