“ *I can't believe it has almost been 3 years since you've been gone. It still feels like a bad dream to me... They're so many things I want to tell you. I'd give anything just to hear your voice again. It hits me hard some days that you're not here.... I don't know what else to do but come to this page and write. I wish you could see where I am today and how far I've come. I know you would be proud of me ❤️ I miss you and I love you so much, Dad.*

“ Before you were born Amber; your mom and dad would spend just about every weekend at our (your Uncle Allyn and Pam's) house. We were inseparable back then until we moved to Texas. Your mom and I would get so mad at them because late at night (mainly because we were too scared to stay home by ourselves they would decide that they wanted to go fishing so your Uncle Allyn would go stay at your mom and dad's house and your mom would stay at my house with me, Nikki and Brittney.

*My deepest sympathy is you Amber. You will be in my thoughts and prayers.*
