“ *I'm so saddened and sorry for the loss of your dad. He was such a great man and so hilarious, he always had a joke for me when I saw him. I'll always remember when he let us take his sports car for a spin, top down and your hair flying as I watched you drive, that's one of my fondest memories of him and us. He's with God now, smiling down and keeping watch and his memory will not be forgotten! It's in Taylor and your smile, your jokes and mannerism, he's in the wind that whispers through the trees and the sun that warms your cheeks, so smile often and you will see, he didn't go very far, after all. I love y'all so much.*

“ *So sorry for your loss which is really everyone's loss. I worked with Darryl and Mike at a couple of car stores. Darryl had the craziest but funniest sense of humor of anybody I ever met and everybody loved him. Prayers for the family. Lord, look out, Darryl has come home!*
