“ *It is hard to believe that it has been nearly twenty five years ago that I walked into the welding supply store that Daryle was running in Conyers.*

I had no money no credit and nearly no hope...but I did have an Idea and one client.

I told Daryle my situation and without hesitation and purely on my word and a hand shake Daryle put me in business with a new welder and all the accessories I needed to start our fledgling business now known as Scoggin Fabrication.

Over the years we became good friends and when he told me he was going out on his own and wanted to know if I would change welding supply vendors it was a no brainier...

To this day I have never forgotten the kindness that Darlye gave me as a perfect stranger all those many years ago.

Daryle We will miss you so much but the legacy lesson in kindness you showed me over the years will never be forgotten and it is my goal in life to share that kindness to all my clients and friends.

*We love and miss you,
The Scoggin Family*
