“ *What a terrific couple Daryll and Cherri made. My husband and I met them when we both lived in Clarston, GA from 1982-1984. They were both warm and loving, and both Daryll and my husband made Cherri and me laugh heartily when we got together.*

We met the news of this traumatic event with disbelief. We had just spoken of Daryll and Cherri days before when my husband heard the news on WSB radio early that morning.

Our thoughts and prayers are with Daryll and Cherri, along with their family members who have endured tremendous pain and sorrow. Alternately, you can be proud of the positive imprint those unique individuals left in the hearts of so many. They will live always in our hearts.

“ Daryll and I were great friends in high school. We also went to Livingston University together. I would ride home to Tuscaloosa with him on weekends and back on to school on Monday. we would laugh all the way. that was just Daryll. He always had a smile and a laugh to lift you up. I would see him occasionally when he came home but I so regrete our grown up lives took us apart. But I've always considered us still great friends as I'm sure he did me. I'm praying for you all as you go through this differcult time. Try to take comfort in knowing what a wonderful place he's in now and you will see him again one day. “ Our hearts go out to the family of Daryll and Cherri. We knew them
"way back when". Although our lives took separate roads, they were
always looked upon fondly and we always wished them well. We

“ I have been a secretary at Stone Mountain Middle School since the
beginning of this school term. About 3 months ago, upon his return
to work, I met Mr. Spearman, and noticed immediately how kind-
hearted he appeared. He was quick to smile and to show genuine
interest in whatever a person spoke to him about. He made an
indelible impression on me and I'll never forget him.##imported-
