“ Sandra,

I just wanted to tell how beautiful the Memorial Service was. What an accurate depiction of such a wonderful man's life. David was an "instant" close friend of mine from the day that we met. He always made me feel like a friendship was a special thing. He spoke of his "honey" often while working with me at Central...he was crazy about you!

I know that you will miss his presence here on this Earth with you but he is waiting for you in a better place....

Although we did not see y'all often, it was always a pleasure anytime that we did get together. Eric and I would like to keep in touch with you as you are always welcome at our house.

I pray that God will truly comfort you during this terrible time of adjustment. You lost a good man.....you're best friend and your husband.

Sorry we did not get time to say hello on the day of the service.

Good speed a quick healing process.....we love you.

“ *What a wonderful celebration of David's life on Saturday. I left the celebration of David's life and felt more challenged to run the race that God has lay before us. Thank you David for planning the service. I don't know how anyone could have left there untouched. David was a man of faith, a true patriot, but most of all a man that LOVED his family. Sandra, David talked about you all the time when we worked together. He was always telling me what little surprises he was planning for you whether it was your birthday, anniversary or a "just because". and OH - his grandchildren - Jessica & Meredith - HE LOVED you so very much - his granddaughters - I feel like I know you & have watched you grow up b/c he talked about you so much. David had left Central when he had his grandson - so I didn't get to enjoy him growing up like I did the girls. .. but I know he loved him. Wendy & Richard - you were so special to him - I was fortunate to watch your relationship grow & change as he became the dad & father-in-law he so loved being. Thank you for sharing David with us - we loved him dearly & I will miss him calling me "friend & buddy". David loved his friends & we'll always remember him being the founding and charter member of "FOE" - Friends of Elaine. There will NEVER be another David Duncan. God Bless each one of you & may He comfort you in the days ahead.##imported-begin##Denise Millholland##imported-end##*

“ Sandra and Family, I wish I could have made it to the memorial service. You should feel comfort in the fact that there were sooooo many people who have been touched by Daivid. I was fortunate enough to spend time with yall in the last year and found out things I never knew about David. I will always remember him as a strong respectable man and husband. I also feel comfort in the fact that he is with our father now. I will always love and be there for you Sandra. Hugs, Patrick###imported-begin###Patrick Alvord###imported-end##
