

## David Ronald Knight Sr.

February 3, 1947 - October 16, 2022

David Knight, age 75 of Grayson, passed away on Sunday, October 16, 2022. After graduating from the University of Texas in 1969, he went on to a very successful career in commercial finance until his retirement in 2009. In addition to his professional life, David was a true renaissance man with many hobbies ranging from music to woodworking, to stained glass, computers, and teaching firearms safety. He also enjoyed camping, hosting annual July 4th fireworks shows for the neighborhood, cooking and spending time with his many friends and family. He is survived by his wife Karen, his son and daughter-in-law, David Jr and Tracey Knight, and 2 grandsons David III and Brian. Funeral services will be kept private and for immediate family only. Those wishing to honor his life can make donations to the American Lung Association. He will be missed by many. “ David never failed to make me laugh whenever we had a conversation. He had a terrific sense of humor! I remember him talking about the time that he and Karen replaced the roof on their house - David went up on the roof to watch the workers as they installed the shingles. The workers were Hispanic and, not knowing that David spoke Spanish, they were talking about the crazy old guy on the roof. David finally started speaking to them in their native tongue, and he said their eyes got as big as saucers and they suddenly stopped talking, afraid that they had offended him. David being David, at the end of the day he offered them all a beer (cerveza) except for one worker who was under 21. That fellow got a coke, while David and the other workers had a good laugh at his expense.

*We'll miss David - he was a stand-up guy!!*

“ Bev and I fondly recall when we were invited to bring our motorhome to their place in March 2017. Dave had promised me he wanted to convert my fluorescent lights, on the ceiling of our coach, to LED. They were much like the ceiling lights in his coach.

Dave had worked ahead of the project during the winter and had everything ready when we arrived. If I remember correctly we were there 2 nights. On our 2nd night we took David & Karen out for dinner to show our appreciation for his work on our lights.

Bev and I have fond memories meeting up with Dave & Karen at various MH Rallies and we usually had some pot luck meals. I member David liked to make his favorite dishes. I have saved several pictures in my computer of times we met up with them and other mutual friends. As Bev and I review our pictures from time to time it will bring back many fond memories.

“ David was such a great neighbor. He was always ready to help someone from helping to put a deck on to gutting a house and helping to finish. Our kids when they were small always called the knights home the scary house. When it was Halloween, David sat on his front porch quiet and still. When they went to ring the doorbell he would move or say something that scared them. He was such a jokester! He shared his love for people and country by setting off a wonderful firework display that would go on forever. He did this for 20 years. His smile and good conversation will be truly missed. We love you.

“ In the fall of 1965 when I moved into to the dorm at HCJC, David and Bill Young we're doing the same across hall. That started two of best years of my college life. Both have remained good friends for over 60 years. RIP

“ David was always such a joy to be around. I learned something every time I had the pleasure to see him. He loved his country, he loved his family, and he let that love show. David and Brian are truly blessed to have gotten so much time with an amazing grandfather.
