“ A special memory that I have of Dave is how much he loved his family especially his beloved wife, Rene'. It was like they were different, but yet they were one. Rene' remember that goodbyes are not forever, goodbyes are not the end. They simply mean I'll miss you until we meet again. Rest in peace Dave!

“ Danny and I LOVE Dave Macrae. We LOVE Rene. We met 17 years ago as neighbors, then became friends, then became best friends. We traveled with them, enjoyed our Christmas parties together, and shared many, many meals with them. During all these wonderful times together, we had so much fun! We laughed until our sides hurt. Dave was always fun to be around. Yes, we had serious conversations, but Dave always brought it back to fun and laughter. Our hearts are broken, but our memories are not. We will be there for you, Rene, forever❤️ Kathy and Danny Smith

“ *My deepest sympathies to you Renee. I never got to thank Dave for often retrieving my trash cans from the sidewalk as he was passing this way. I appreciated it very much but unfortunately never had the opportunity to express my thanks.*

Renee, Our thoughts, prayers and love are with you. We are all still in shock over Dave's passing. Dave wrote two beautiful songs when our boys Michael and Connor were born. He was so gifted and talented in his music and we loved to hear him play the piano when he visited us in Florida. Everyone loved Dave with his infectious personality. Mike is beside himself in grief over this and we all are so lucky to have had Dave in our life. Words cannot express how sorry we are. Sending you a huge hug.
