“ *David was a good man and a dear friend, and I will miss him very much. He was one of the best. I knew him for about 20 years, and I wish we could have had 20 more. My sincere heartfelt sympathy to his family and other friends.*

“ *Dear Family,*

*I send my deepest condolences to the family. I know, from personal experience, that death can seem like end. But God's word promises that God is "the source of life." (Psalm 36:9) He gave life to all living creatures and is certainly capable of restoring life to of dead love ones. (John 5:28,29)*

“ I was very sorry to hear of David's passing. I really enjoyed the time we worked together in Hapeville. We had lunch together in Toccoa some time ago and had a nice time. He will be missed.

“ David was a great guy, always had a smile and a story to share when he came to SAW from out in the field. We all missed him when he retired but he would pop back in every so often to catch up on what we were all doing. Safe journey David, safe journey.
