“ *I worked with David at Miller Advertising Arts back in the 80's. We installed some exteriors and interiors, some stick on vinyl to styrofoam and plywood, at Zippy Marts. We even went down to Fort Lauderdale, and maybe other places for about a week. We shared a motel. I was in my early twenties. I will always remember Miller Advertising, Bill Miller and his wife, Lamara Miller their daughter. I remember the workers -Roger, Darryl and his wife, Martha, Cathy, Victor, Art Chester, Laurie, Delores James Lackey, the lady that taught me how to tension silk screens to frames. I cleaned screens and put silk screens together. I ran the forklift a lot. I ran a press at least once. I was working part time, then full time. I tried to go to the local college. I was so young and this was about the first real job that I had outside of working for my dad. Miller Advertising left an impression on me for life. I think about it all the time. I even took some pictures while I was there. It was a real life experience for me. Rest in Peace David. He always had good family Christian values.*

“ *I am so sorry to hear of the sudden loss of David. Our sympathy goes out to the Miller family during this difficult time. He was a friend and business associate for many years to everyone at Fru-Art Company. I had lunch with David and Micah just the day before he passed and as always he told me one of his many jokes like he did all the time. Davids knowledge and expertise in the print industry was invaluable. He will be missed.*

“ *I remember that David came to our house with his assistant pastor to invite us to his church that we had attended the weekend before. That visit was the beginning of a wonderful friendship of our family with David and his family. He was a fine Christian man who loved God and his family. His great personality and concern for others were phenomenal! He will be greatly missed!*

Forever Grateful! There have been many men that have influenced and personally invested in my life through the years but David Miller was one of the finest! As "iron sharpeneth iron" David helped whet the edge of my spiritual life almost 47 years ago. He approached me as a young Christian and lovingly began the process of mentoring me. He taught me how to pray and to have personal devotions in my bible. He taught me how to be faithful in church and steadfast in my Christian life. When God called me to preach he believed in me. When God showed me it was His will for me to move my family to Portland, Oregon he prayed and supported us. I will forever be grateful to my friend and his precious wife, Jana. By the way, he knew this because I told him many times and I'm glad that I did. Proverbs 17:17 tells us, "A friend loveth at all times, and a brother is born for adversity." God knew exactly what we needed when we got saved: A friend and a brother! He supplied both for us in the person of Jesus! "He is a Friend that sticketh closer than a brother!" I know that I will see David in Heaven. I pray until then, I can be a friend and brother to others as David was to me. "We sorrow not as them that have no hope!" 1 Thess. 4:13-18
