“ *I met David only in the past several years when I joined the Georgia Interscholastic Swimming and Diving Officials Association. Working with David was a great pleasure because of his generous sharing of his knowledge of the sport with less-experienced officials like me.*

“ We will really miss our friend! David had such a big heart -- always helping others. Teaching in public schools in DeKalb County and Rockdale County for decades, mentoring countless young people, volunteering everywhere (he especially loved volunteering at the Decatur Book Festival), organizing and running the DeKalb County summer swim league for many years in the late 1970s and 1980s, officiating high school and college swimming and diving meets (including the NCAA Division I and Division III Swimming Championships for years), showing friends his favorite beach (Gulf Shores, AL, of course).... David had lots and lots of friends (he never met a stranger) and he made each of us feel special. Sally and George - you and your families are in our prayers. Tom & Elaine Lauth (Decatur, GA)
