“ *I am very sorry to hear about David's passing. I remember David mostly from Little League games. I was the catcher in some of the games and David throw side arm. Most batters could not hit his pitch.*

The last time David and I talked was in the late 60's when I was pulling x-ray call at one of the Gwinnett county's hospital when David came in to check on someone. We both were surprised and it was a great experience that I will always remember.

God Bless David and the Reese family.

Sincerely,

“ My sincere sympathy goes out to you at this time. I grew up, knowing David's family; even neighbors at one time. At his family's home I watched TV for the first time. Growing up, my brother Wayne and David were friends and classmates. It was good knowing the family. My prayers are with you.

Sincerely,

“ I am sorry to hear of David's passing. David and I worked together for the GSP in Lawrenceville. He trained me to be a radio operator. I enjoyed his honesty, friendship and dry humor at all we dealt with. There are a lot of memories of that time and they never fail to bring a laugh when I think of them. I hope that God will be your comfort in this difficult time and my prayers are with you.

“ I am so sorry to hear about Uncle David passing. I remember every time I saw him he always had a smile on his face. Karen, I remember coming up to spend a week with you during the summer and he took us to work with him at GSP. I don't know if you remember it or not but I do. We went out back and played under the car shed while he was working. Awesome memories of an Awesome man. He will be truly missed by all. My prayers are with you and Kim during this most difficult time.
