“ David will truly be missed! Growing up I always thought of him as a second Father. I am very grateful for all the wonderful childhood memories I still have like the races every weekend and going to Florida though I could do without one of the visions :). David and Terri both treated me as if I was their own daughter showed me positive guidance that I have instilled in my adult life. I will miss seeing his bright smile and him laughing at me while I act stupid. My heart is with all of you while you go through this time of grieving I love you all!##imported-begin##Christy Brown##imported-end##
