“ To Gary and the Brownlee Family,
I wish you all the best through these difficult times. I will truly miss Alan. I had the pleasure of working with him for 18 years at Waltco. He is one of the best persons I have ever had the opportunity to work with. He excelled at everything he did. He started as a fellow worker but left as a very good friend. Alan and Gary both will always have a lot of friends in Ohio. God bless.##imported-begin##Marty Beyner##imported-end##

“ My deepest condolences go out to the Brownlee Family. I had the pleasure to work with Alan and brother Gary at Waltco Truck Equipment for years. Allen took great pride and honor in his work. You never walked away from Allen wondering “what he meant by that” and I admired that about him. Over the years we became good friends and I could always count on Allen to leave me in stitches with his great sense of humor. You will truly be greatly missed my friend.....##imported-begin##Jody Lakins##imported-end##

“ My friends, the Lord gave me the chance to work next door to Allen for over twenty years. Early every morning we would sit and talk shop and tell the same hunting stories over and over again. He liked that. We talked about life and daily events and how Allen would fix the worlds woes. Allen was brutally honest and did not mince his words. You have got to respect that. As we grew older together, our friendship cured like concrete. If I needed something I could count on Allen to help. Hard work and a commitment to living the way the Lord intended was Allen's way. RIP Allen.##imported-begin##BRIAN WALKER##imported-end##

“ Gary, Steve and family,

I was deeply saddened to hear the news about Alan. Alan was truly good guy; a great co-worker, always willing to do whatever it took to get the job done; and a great guy to be around after work too. We had some great times on the golf course and out at the racetrack. He knew how to have a good time. I have nothing but good memories of Alan. You and your family have my prayers and deepest sympathies.##imported-begin##Joe Halpin##imported-end##

“ I have only had the pleasure of knowing David for about 18 months. We worked together at Home Depot. I could always count on David for a smile and a kind word. David was the kind of person who would lend a hand to anyone who needed it and cheerfully so. I will miss his great smile, his kindness, his gentle way about him, and the way he looked to make others happy. He was a good man, and I will miss him dearly. My sincere condolences to his family.##imported-begin##Janet Melillo##imported-end##
