“ *What a tragic loss of such a wonderful singer. He use to play a song for me and someone that was very special in my life, every time the Doke Brothers played at Peter Daniels Rest. In Monroe, GA. "Lovers Moon" has always meant alot to me and how sad to never hear him sing it again. Your whole family will be in my thoughts and prayers.##imported-begin##Kim Shelton Dills##imported-end##*

“ *David was indeed a very special man. He always went out of his way to greet Barb and me when we went to hear him play- Underground Atlanta, Between the Hedges- The Bell's Shack. So many wonderful musical memories. The world will be a little less happy place without David. I'll bet there is an AMAZING jam going on in Heaven about now though!
