“ *For My Grandparents (excerpts from a poem I wrote for them on their 50th Wedding Anniversary over a decade ago)*

*I comb his hair,
Making different shapes and funny parts.
But he never minds
He is my Poppa*

*He is always so beautifully simplistic.
An ere of wisdom surrounds him,
His silent way never hiding his bountiful love.
I see him in my father and his brothers.
He is my Poppa*

With my Nanny, you have made our family. You have taught us the value of love and the beauty of faith in the Lord. I am proud to be a part of you.

“ *My deepest sympathies to all the family. It is so difficult when we lose the ones we love to death. No matter how long they have lived their lives, we still feel that pain when they leave us. May you find comfort in the bible's hope that one day we will see an end to death, suffering and pain. (Revelation 21:4)*

I am very sorry for your loss.##imported-begin##The Infante Family##imported-end##

“ My dear ,dear sweet Nanny ,you mean all the world to me ,your pain I would carry ,if I knew it would bring you peace , the love you carried in your heart for Papa ,was plain for all to see , you've always shown us so much love , now its time for us to give back to you ,the whole family will be near ,to hold your pain, for you .So that you may rest , and know to us you are the best ,and we could not live without you . So on my knees I pray each night ,for God to be with you ,to hear your cries of loneliness and bring comfort of your love ,wrap your loving arms around her , until she feels your spirit ,saying ,I will always be with you until I come again . May Papa speak real soft to her ,I'll be watching you ,may she sence his very pressence when on her knees she prays , asking dear Lord , how come me ? I love you Nanny , love wanda###imported-begin##To My dear ,dear Sweet Nanny ,I'll be loving you ,sending up my prayers to cover all your needs###imported-end##

“ we said good bye to you today ,
with eyes full of tears,
our hearts will miss you dearly,
as we try to carry on .

our lives will feel so empty ,
knowing you are no longer here.
your love will last forever,
that you brought to each of us .

your smiling face we'll see ,
every time we think of you ,
helping us through out the day ,
and bringing comfort along the way.

we know you're in a better place ,
looking down upon us all ,
your sitting by the Savior ,
the very best place of all .

we'll be home real soon ,
meet us by the gate,
we'll walk hand and hand ,
along the peaceful shore.

we want to hear it all ,
as we'll stroll the streets of gold ,
about our Saviors love,
He freely gave to all .

*I wrote this ,for my very dear papa ,who'll I'll miss for ever until we
meet again , Papa , tell our sweet Lord,
were waiting here below for Him to call us home , 5/ 3 /

“ To all the family- I am so sorry for your loss. To Mildred, I feel so blessed to have gotten to know you both these past few months. I'll never forget when you came to our office and you brought me a picture of my sister and I with my momma who had just past away. Even though I had not seen you in many years you still thought about me enough to bring me that little momento to hold onto. I am so sorry for your loss and please know that even when we don't see you as often we will have you in our thoughts and prayers all the time just like you did for me. Ya'll are such sweet people and I feel truly blessed to call ya'll my family. Love you and I hope you're doing okay. If you need anything, you know where to find me. “ Poppa,

I am so thankful that I got to "join" into the Bennett family. The day I married Clint I was so excited I remember hugging Nannie and saying 'look Nannie I am a Bennett.' I knew that I was marrying a into a wonderful family and it was all because of you and Nannie. My greatest memory of you was on the trip to Tennessee when Clint and I took you and Nannie in May of 2006. I remember you told story after story of growing up and of your brother Grady and how you and Nannie loved him and how great of a brother he was to you. Even taking you and Nannie to Helen for ya'lls honeymoon. Then a couple days after that trip Clint and I found out we were pregnant and we said if it was a boy Grady would be his name! I also remember you joking around on that trip about the cow and horses not getting a square meal because all of the hay bales were round! I still think about that everytime we ride by hay bales and I laugh. I am glad I got to join into the Bennett family and got to have and love you and Nannie as my own.

Love, Brandi BENNETT##imported-begin##Poppa##imported-end##

“ Poppa, I miss you terribly and always will. I am thankful for all the memories that I have. I will never forget the times we had at the cabin, that yardstick you broke over my knee, the vacations we took together to Daytona, the trip where I got to "chauffeur" you and nannie to TN, and all the friday night get-togethers and holidays. I have so many wonderful memories that I will treasure and carry with me throughout my life. Thank you so much for being one of the best role models for me to look to as I grew into a man. You and nannie are the best grandparents. You will be with me for the rest of my life here on earth in my memories, and I look forward to seeing you again in heaven. I love you.##imported-begin##Clint Bennett##imported-end##

“ I am sorry for your loss. May looking forward to the fulfillment of these scriptures be of encouragement to you. 1 Corinthians 15:26, and John 5:28,29. Psalms 37:10,11,29, and 72:7,8, speak about the wonderful conditions that we will be surrounded by, when the above scriptures are fulfilled. “ *Popa, I miss you so much already. I'll never forget the times when I was a little girl and I would sleep in the bed with you and Nanny or the times I got to visit you at your barber shop. I am so lucky to have had you in my life for so long that it is hard to say goodbye but I know I will see you again in Heaven. When I get there, you have our cornbread and buttermilk restaurant open and ready for business! Thank you for being such a wonderful grandfather to me. I am so blessed that my children were able to know you as well. I'll cherish the time you let me crawl in bed with you while you were sick just like I did when I was a little girl. Thank you for always being there for me. Till we meet again, your oldest granddaughter,

“ Papa,
So many of my childhood memories include you & nannie. I always thought I was the luckiest little girl because I am the one who got to sit beside "The Candy Man" at church. I love thinking back of sitting between you & nannie in the front seat on the way to Daytona Beach with my hand in that candy bag. I blame you and my dad for my sweet tooth you know :) All those memories being at Lake Jackson with you & nannie and fishing and swinging with you on the swing on that screened in porch at the cabin. You were truly an AMAZING grandfather, father, & husband to my wonderful nannie. You raised 5 wonderful men and I am so thankful my son had you to look up to. I know you will be one of the first people I will get to see in heaven. I can't wait to hug you again and tell you I love you! Until we meet again, Love Always, your grand daughter,

“ Poppa, I will miss you so very much. But I know you're happy up there in Heaven. I joked this morning that you're probably giving Jesus a little trim right now! :) I hold the fondest memories of growing up around you & Nanny and those I'll cherish forever. Until we meet again someday...
I love you, Pop.

And to Nanny - you know I'm here for you if you need anything. Any little thing at all. You were blessed with truly one of the greatest husbands ever. I hope that someday I can have a marriage that was as strong and loving as yours & Poppa's. I love you!
