Please know each of you are in my prayers to Him who will never leave or forsake us. Thank you for your strong witness to those David loved who do not know Him; God bless and keep you and hold you in the palm of His hand, as you grieve, but not as those who have no hope,

“ Erin-

Please know that you and your family will be in our prayers. Words just cannot express what we feel.

The service was so nice today. I know David was with us and was so happy to see all of his friends and family.

We really missed having you both around and seeing you at Hebron. Jeff is really going to miss playing basketball with David. We will both miss watching him get kicked out the game for yelling at the officials! We love you Erin and we are here for you.

“ *Erin and Mr. and Mrs. Waterworth,*

Please accept my deepest sympathies at the loss of your husband and son. I knew David while he attended Killian Hill Christian School. Since then, I don't remember having any contact with him. I'm now living in Montreal, Canada helping plant churches while working as a computer programmer.

I remember doing a video project for a history report where we used David's parents property to film our report. It was about the War for Independence and Washington crossing the Potomac and other events. I especially remember using the pond and boat to film Washing crossing the Potomac.

We will be praying for you and your families. Please be assured that the Lord will not forsake you,
