“ *i am so sorry for your loss. The loss of a loved one is so heartbreaking, many wonder why we grow old and die. Because according to scientific research body cells are either replaced or repaired. Science are not able to explain why this does not go on forever. They say that under right conditions humans should be able to live forever. Isaiah 33:24, and 25:8 tell us that the God of Love will bring an end to sickness and death. God gives us a guarantee that he will resurrect the dead. That means that we will have the opportunity to see our loved ones again. Jesus also spoke about the resurrection hope in John 5:28,29. Psalms 37:10,11,29, and 72:7,8, tell us about the wonderful conditions that we will be surrounded by when the above blessings are fulfilled. Isaiah 55:11 tell us when God sends our his word, It is as good as done already.
