“ *I am sorry that I was not able to make the service, but please know I was there with you all in my thoughts and prayers. Since I was in Vegas, I put my money on #3 red in roulette, that was on the only time I won. I guess he was on my side!! You all remain in my prayers.##imported-begin##Dana##imported-end##*

“ Leah, Dustin and Luke:
Just come from visiting David's grave. My, he would be so proud of all of his beautiful flowers AND the Dale Earnhardt sunglasses. Although I know it is only the shell of David's worn body it is very comforting to visit and know that his spirit is with us, and know that he is no longer struggling for breath and in no pain. He is walking the golden streets of HEAVEN. My heart aches for you all, but I do know that your faith is very, very strong and that is definitely what has got you through everything thus far and will continue to get you through the days ahead. We all know through trusting and accepting Jesus Christ that we will have eternal life and that one day we will see the "SIMPLE MAN", when our time on earth has expired and we enter the gates of Heaven. In the meantime, while passing through this earthly life, STAY STRONG in your faith and lean on our heavenly father. Anything we can do for you, please do not hesitate to call on us. I LOVE YOU ALL! Karen###imported-begin###Karen David###imported-end##

“ May the Ferguson family find comfort in God's loving invitation to "throw all your anxiety upon him because he cares for you" (1 Peter 5;7) and that he is "near to those that are broken at heart and those who are crushed in spirit he saves." - Psalm 34;18. It is God's desire that you see David again in the near future, right here on earth under peaceful conditions where "death will be no more." - Rev. 21;3,4. While grief at the loss of David is great, joy at receiving David in the resurrection will be greater. (Mark 5;42). Please read and find strength in God's promises of the resurrection hpe during this difficult time. Take care,##imported-begin##Valerie Thompson##imported-end##
