“ *My Family knows DaWayne as Coach Crawford, our son Jaylin had the awesome pleasure of playing on his Rec League Basketball team with his son Tyler and that was the beginning of a long lasting relationship. Coach Crawford made a huge impact in Jaylin's life at an early and he has carried that into his young adulthood. Coach Crawford was a great Coach and Mentor to Jaylin and he will be dearly missed. Our condolences to the entire Crawford family during this difficult time of loss. May you find peace and comfort in each other and in the Lord.*

“ Dawayne,
My cousin. We had just talked on Instagram the week prior where I was congratulating you on adding another addition to your family. It's so many memories that I recall when we would come out to Atlanta during the summer and visit. The laughs and just your overall happiness was always there and made every moment irreplaceable. I must say this was so unexpected and yes you will be missed by many but you created a legacy brother that will last throughout the years. To see the number of people you have touched and so many kind words spoke about you clearly shows the kind of man you were. I watch your Instagram and watched you cooking and dancing around with your wife Whitney and kids every other day and all I can say is you were truly happy. Thank you for showing the world and myself that happiness and true love still exists . I'm ok because I know how happy you were and I'm happy that you were able to experience that happiness before you left us. My prayers to the family.. your wife and kids. I know it's difficult but God got you!
Love you cousin!

“ Thank You, Dawayne!

Childhood memories: Dawayne had a way of making the joys of life simple and memorable, especially his love for family. We will never forget the friendliness, humor, compassion, intellect, and pure love Dawayne displayed toward humankind. He was such a happy person. He had the most incredible smile that made you want to smile regardless of your mood. Guess what? His laughter had you laughing as if you were at a comedy show. At a young age, Dawayne knew that laughter was healing and brought people together. If you had the pleasure of being in his presence, you were guaranteed to laugh or experience a hilarious prank. Our family reunions were so much fun because we knew that Dawayne or Jay was going to prank somebody regardless of age or gender. To date, we still do not know which twin pranked us the most. Nevertheless, we loved the pranks. Some of our family stories are hilarious. We believe that the greatest tribute to Dawayne Crawford is to keep loving, laughing, volunteering, and always place your faith above all. When the tears began to flow and grief visits you, remember his smile, laugh, and his unapologetic zest for life. For us, Dawayne is the sweetest part to our earthly prayers.

*Peace and Healing,
