“ Dear Rebekah and Emily, I am so sorry for the loss you feel. Your mother had a wonderful smile and always shared her infectious joy when I would see her at school. You'll be in my thoughts and prayers. Cydne Duke

“ I was blessed to get to know Dawn right after she had her first daughter. We both worked at the same office and since we both has small children we really hit it off. Our husbands hit it off too and our friendship expanded. We shared the ups and downs of newlywed issues, baby/toddler times, and were able be a support system to each other. Unfortunately we went our seperate ways after a few years and lost contact. I continued to see Derrick and the girls as they came in to the office to get their teeth cleaned and braces. I kept up with her through him.  
My heart just breaks for her family and her 2 sweet girls. I am thankful that we were friends and I know that i will see her again.
