“ *No words can express the pain that I, and others, are feeling with the loss of Dawn. She loved life to the fullest and touched so many hearts in her short time on earth. I will always remember her laughter and her contagious smile! Her children Sydney and Jacob were her life...She was soo very proud of them! Thank you for being my friend Dawn...You were always there for me to listen and to comfort me in my time of need! Go rest high on that mountain my dear friend...although you are not on this earth any more, you will be forever in the hearts of countless many!*
