“ *Judy and Horace,*

*It is with great sadness that I share this memory with you. First, what a shock hearing that Deanne had passed and please accept my most humble condolences. The memory I was referring to is when Shane died suddenly last year and the family came together at our house including Deanne. She became the strength to which none of the Needham family, as strong as we are, could bear in this moment of great sadness.*

*Deanne was a great comfort to my sisters in just being available to listen to the pain and anguish we were all experiencing. I share this because it displays how strong her spirit on earth was which was kind, giving, and loving soul accepting of others who walked this earth and was a presence of healing.*

*I have no words that can comfort you or her family however, your strength in the Lord will guide you through this portal of grief. Someone once shared with me that I feel God's love in the warmth of the Son, and his kiss in the gentle breeze. Every time you feel the sun and the gentle breeze, Deanne is there.*
