“ *Debbie was a giving kind loving mother. She sold my son Daniel his first house and took care of him if he was her own son. Now she is gone, but she has left seeds of love past down to her family and friends. Great memories of Debbie are forever and her presents will be missed.*

“ *Oh I cannot express the heartache I feel at this time. My heart is hurting so bad. She and I lived many miles apart, but when we talked it was as if we saw each other just the other day. Girlfriend, I'm so sorry I wasn't there for you when I feel you needed me. I love you more than you know and I will miss you so much. I'm so happy you found love with Jack, you totally deserved that love more than anyone. You are a good mother to your children and they love you more than words can say. I'm in shock and I just can't believe this is real. Jack, Josh, Jeremy, and Jessica may God hold you in his arms during this trying time and my love is with you all. See you Saturday!!*
