“ *Debbie was such a wonderful lady. My husband and I had the privilege to work with and know Debbie in a personal way. She's the spunk in spunky. If we ever needed anything, she was there. She left a mark and a space that so many folks could wish to leave. Brigitte and family... we are here if you need us and may God bless you and keep you in this time of sorrow.*

“ Mike and Family, we are so sorry to hear of our beloved Debbie's passing. I lost touch a few years ago and wish I had known she was ill. I would have been there for her and perhaps offered some comfort. We will forever remember her smile and quick wit. I truly enjoyed being one of her nurse's at Gwinnett County Jail, we were a tight knit group. Cecil & Diane Whiteaker

*Although I can't be there in person, my heart and prayers are with you. I had not heard she was ill. Debbie was always so full of life. I worked with her at Gwinnett County until she married Mike and moved, then I saw her again at Barrow, still the same life loving Debbie. She was a treasure to everyone around her. She will be greatly missed, but will always be in our memories and hearts. God bless you. Cheryl (Scott) Remick, RN*
