“ *I met Debbie a few years ago when we both found ourselves in a place where we were attempting to get help. Meeting Debbie made the situation so much more comfortable for me and I hope I did the same for her*

She shared many of her beautiful poems with me and I still have them to this day, I wish everyone could have read them.

I know she is loved and will be missed and my thoughts and prayers go out to her family and all that loved her.
