“ I have known the Watson family since 1972. I met Debbie when she was about 12 years old. I watched her grow up and become a wonderful wife and mother to her family. She was a wonderful person I will be missed greatly.

My beautiful cousin Debbie. She was the cutest little one, laughing and squealing when big brothers teased her! She was a smart, accomplished lady, besides her loveliness. Prayers to her family, and thank you Mark and girls for your dedication to her care. We cousins in Indiana are with you in spirit....

“ I'm so sorry for yalls loss. The one thing I remember most about Deborah is that she loved deep. Her children brought such Joy to her. She stood up for them and supported them because she loved them so. I remember seeing her sitting in church with her three girls just full of Joy. Mark you were her sweetheart and loved by her! May God bring you all peace and comfort and strength on your weak days. When that deep hurt seems to overwhelm you just look to Him and He will meet your needs.
