“ I want to send my love and condolences to the family. The love that she and Jack shared was such a testimony to others. My best memory of Deborah is when she and Jack rode off on their motorcycle after she had received chemo. I mentally snapped a picture of this and knew that I would always reflect back to it when I thought of her. She was a tough lady and her life blessed so many. Many Prayers are being sent from so many of her nurses. We loved her very much!

Much Love,

“ I had the pleasure of working with Debbie when she was the nurse at Loganville Primary School. She was an extraordinary person, kind, compassionate, and caring. I can see her, now, riding in her red Thunderbird...enjoying life to the fullest. Debbie was just a precious person, and I am so very sorry to hear of her passing. My condolences to the family.
