“ I am do very moved to hear of Debbies death. I thought of her the other day: the litle house on Star Drive, the Christmas Tree upside down in the carport to preserve it, the times in Athens- with her cousin Kathy, Deb, John Thompson, and myself soaking and sunning down at Barber Creek. She took me to the hospital when I was too sick to move. She let me have it verbally across the head when I needed it.  
I'll always remember her.

“ *Debbie Jo and I have been friends since we were young. She encouraged me to try out for basketball in High School and was by my side showing me everything she knew and because of her I made the team. To know her you loved her. The most caring soul that has ever crossed my path. Rest my friend, until we meet again. I will always love you and miss you. My sincere thoughts and prayers for her family as they go through this difficult time. Peace to you.*

“ I have not seen or spoken to Debbie since high school. We played basketball together and she was such a sweet and kind person. Always smiling! She would smile even when she was playing her position as guard, and one of our coaches would try to get her to look "tough" so that the player on the other team would be more afraid of her! It didn't work! She just couldn't do it! She was too sweet! We loved her like that! My prayers are with her family as you all go through the sorrow of losing her, yet knowing that she is no longer sick. May God give you the strength and comfort and peace as only He can give.

Love,

“Debbie and I became friends in 8th grade in school and while trying out for the basketball team at Norcross High School. I can never, ever remember Debbie being mad at anyone. She was always smiling. From 8th grade until graduation, Debbie, Wanda, Maripam and I were always together. We spent hours after school walking around downtown Norcross, and then when we got our licenses, driving everywhere. We spent many Saturday nights at sleepovers at Wanda's. Debbie was always the first one to fall asleep, so we'd tie her to her lawn chair, and scream to make her fall out. What a good sport. Debbie was just a sweet giving person and it hurts my heart to think of this world without her. It's obvious she continued to make more friends as the years went on.

We had reconnected on FB and were planning a get together when she started having health problems. Although I am extremely sad for the world that she's gone, I still smile every time I think of her. One of my favorite poems is by Shel Silverstein. It has been on my mind since I learned of Debbie's passing.

*"There are no happy endings,  
Endings are the saddest part;  
So give me a happy middle  
And a very happy start."*

*Godspeed to you, Debbie Jo as you start your next adventure.*

*I pray for comfort and love to the extended Johnson family.*
