“ *I only got the pleasure of working with Debbie for about a year at Gunter Construction. She welcomed me to the team with open arms and made me feel comfortable being the new person to the team. She was a pleasure to be around, always in good spirits, and always willing to help me with all my questions. She was a great person, always kind, and it broke my heart to hear of her sickness and that she had passed. I will miss working with her, learning from her, and seeing her welcoming face and contagious uplifting attitude and smile at work. Heaven gained another angel, that's for sure. Her family and all who loved her are in my thoughts and prayers.*
