Sending you strength and love.

Our thoughts are with Heather & Michael and your respective families and Sondra

“ *Debbie, I know our lives went in different directions. But, I don't think there was ever a time you weren't on my mind. Whenever I picked up the phone and was able to talk to you it was like we had never been separated. We never know how or what directions our lives will go, we just have to make the best of it. I pray for your family and friends that they stay strong. I know you are loved and will be dearly missed. My deepest sympathies are with them all. Please tell Grandma, Mom, Dad and Doug I love them all every much and I love you too. You and Dad take time and talk. Your Sister Vickie*###imported-begin###*Vickie Lamb Cassidy*###imported-end##

“ *Debbie, hopefully you, dad and your mom can spend some time together and work some things out. Dad really did love you but things were strained. Even though I never got a chance to really know you, I enjoyed the time you came to visit when you brought Michael and Heather. My prayers and thoughts are with the family.
