“ Rob, I don't know if you will remember me-Sue, Debbie's college roommate from Slippery Rock. I just found out about Debbie's untimely death and I am so shocked and saddened. Although it has been many years since we last saw one another she has always held a very special place in my heart. I am consoled to know that Debbie was a believer and now goes to be with our Lord. You and your family will be in my daily prayers.

Love and heartfelt sorrow,

“ Although it's been a couple of years since I last spoke to Debbie, there are certain people who come into your life who make an impact. Debbie was one of those people. I would see her Sunday morning and she would touch my arm or give me a hug and ask how I was and I knew she was sincere and it was not just a casual greeting. She truly loved life and genuinely cared about people. Rob, may God bless you and your family during this difficult time in your lives.##imported-begin##Rick Morse##imported-end##

“ Our family is deeply sorry to hear about the loss of a great teacher. My daughter, Harlee Anne had the pleasure of being one of Mrs. Nagy's students last year. She touched both of our hearts and made a lasting impression on Harlee as a student forever. Not only did she teach her the normal 2nd grade things, she taught her how to love and care for others and how to believe in herself, something I as a mother, will always be thankful for. Mrs. Nagy will be truly missed by so many. I know my daughter will miss the hugs in the hallway each and every day. Our family is praying for everyone who is suffering from this tragic loss.##imported-begin##Tricia Hammock##imported-end##
