“ *As I sit here with tears filling my eyes as I try to put into words what Debra means to my wife Michelle and I, words really are not enough. Debra and Jim took us in and made us a part of their family from day 1. Debra was like a second mom to us as well as a great friend. We went to dinner almost once a week and took vacations together. Michelle and Debra would talk almost daily about something even if it was just to check and see how the day went. It will be very difficult to just walk outside and look across the street in the days ahead and the pain in our hearts is tremendous especially for my wife but we have memories that will last a lifetime. Debra you will truly be missed and We Love You,*

“ Not because of the amount of time we spent together but because we shared the experience of raising Kelly and Drew that I feel I have lost a kindred spirit. There were times that Drew felt he couldn't be at our house and found refuge with the Germann's and like so Kelly. Raising those two was a daunting task. I was always grateful that Debra was there for Drew when he needed someone besides his mom. I believe she felt the same way with Kelly when he stayed with us. I know what a remarkably good woman she was and I regret that her grandchildren will not know her beyond their childhoods. I know that it will be hard on Kevin and Kelly to go on without her counsel on parenting and life in general but I know they will do well in what she taught them For Jim, I've been there. It won't be easy. The boys will help you through and now you must be both grandparents for the grandchildren. It's what you focus on for the future, to fill a huge void. God bless you all. God bless Debra

“ I can't share just one memory since there is not a time I don't remember having Debra in my life. Somewhere there is a picture of me Debra and Sylvia all side by side in a babybed at SBC. They say you are never really gone until you are forgotten and Debra will never be forgotten. Love to you all. God Bless

“ Kelly and my brother Drew have been the best of friends for so long and anyone that’s close with our family becomes part of our family. Thru Kelly I have had the pleasure of spending time with his parents and was absolutely heartbroken to hear of Debra’s passing. I don’t have a story to share but what I will always remember is how no matter the situation every time I got to see Jim and Debra they were always together and they were always smiling... My heart goes out to the entire family but especially Jim I pray God wraps his loving arms around you and carries you thru this devastating time and reminds you that you are not alone you have an army of friends and family that love you and will be there for you to lean on when you feel like you can’t go another step.

“ She was mom to me. Not sure I ever remember calling her Mrs. Germann and certainly not Debra. Her house was always open to all of us that were friends with Kelly and Kevin. She praised you for being good, scolded you when you were bad, but you always knew she loved you as if you were her own child. I will always remember things like watching the Braves game on TV with her, boiled peanuts out of the can, super sweet ice tea, always washing and ironing my cloths whenever I spent the night and the encouraging talks she would give me at the perfect time. What a wonder person we have lost. My thoughts and prayers are with her and the family.
