“ *Ray and family,*  
*I am so very sorry for your loss! Although I've only known and worked with Debbie for the past year and a half, I really enjoyed every interaction I had with her. She always, even in stressful work conditions, had a kind and gentle demeanor and you could easily tell that she was a very genuine person. I hope it will give you some comfort in knowing that she was very well liked, respected and she definitely touched many of us!!*

*God Speed!*

“ *Ray and family,*  
*I am so sorry for your loss. Debbie was my hiring manager at Presidio and I enjoyed working with her for the past 9 1/2 years. She was always so knowledgeable and kind. My first day at Presidio was also her birthday so every year she would make a point to reach out to me on June 27th even after she moved to the Operations department. I will miss her smile and talking with her.*

*All of you are in my prayers.*

“ Ray,

*We are so deeply saddened by your loss. There are no words that can ease the grief that you are feeling. We share with you a quote that we once saw at the American Cemetery in Normandy that has provided a measure of comfort to us over the years. "Think not only of their passing, but also upon the glory of their spirit." Our thoughts are with you.*
