“ Debra was the sweetest, caring mother in law to my son. Bradley Allen! She loved him like her own child, and for that, I am truly blessed....As we shared granddaughters and great grandson, she was the very Best. I always said " I couldn't hold a candle to her" Miss her so!

“Debra is the best granny ever. She loved me so fiercely there was never a doubt in my mind about it. All the way till the end she showed it. I don't know what I'll do without her but I know I'm going to become stronger, and give my all, because I know that's what she would want. Love you granny 🌻❤️

“We shared great camping trips and work trips. My husband Kenneth made her a lunch everyday when she was pregnant with her son. She was my ride to and from work quite often. She always was so giving and caring. A beautiful soul that will be missed by so many. Follow that yellow brick road my friend I will see you again.
