“ *When tomorrow starts without me, and I'm not there to see.  
If the sun should rise and find your eyes, all filled with tears for me.  
I wish so much you wouldn't cry, the way you did today,  
While thinking of the many things we never got to say.*

*I know how much you love me, as much as I love you..  
And each time that you think of me, I know you'll miss me too..  
But when tomorrow starts without me, Please try to understand..  
An angel came and called my name and took me by the hand,  
It seemed my place was ready - In Heaven far above,  
and that I'd have to leave behind, those things I dearly love..*

*But as I turned to walk away, a tear fell from my eye.  
For all of life, I'd always thought, I didn't want to die.  
I had so much to live for, so much yet to do,  
It seemed almost impossible, that I was leaving you..  
I thought of all the yesterdays, the good ones and the bad..  
I thought of all the love we shared, and how much fun we had..  
If I could relive yesterday, just even for a while,  
I'd say goodbye, then kiss you 'til I saw that special smile..*

*But then I fully realized, that it could never be,  
'Cause emptiness and memories, would take the place of me.  
And when I thought of all those things, I might miss come tomorrow,  
I thought of you, and when I did, my heart was filled with sorrow. .  
But when I walked through Heaven's gates, I felt so much at home.  
When God looked down and smiled at me, From his great & golden  
throne,*

*He said, "This is eternity, and all I've promised you.  
Today your life on Earth is past, but here it starts anew.  
I promise no tomorrow, but today will always last,  
and since each day is the same day, there's no longing for the past.*

*But you have been so faithful, so trusting and so true,  
Though there were some times you did some things you shouldn't*

do. .

*But you have been forgiven, and now at last you're free,  
So come and take me by the hand, and share my life with me.."  
So when tomorrow starts without me, don't think we're far apart,  
for every time you think of me, I'll be right there - in your Heart.*

*You will be missed Delores.##imported-begin##Betty

“ *Although we know that Delores is in a place where there is no pain and no sorrow, but only unspeakable joy and rejoicing, the deep sense of loss is very real for those still here on earth. Delores was a true inspiration with her constant smile and thankful and joyful attitude no matter what. It is good to know that she is vibrantly alive in heaven now and forever because she chose to make Jesus her Lord and savior. I pray that the peace of God will surround her family and all those of us that miss her.##imported-begin##John Gates##imported-end##*

“ To the family of Fred Lacy. I am so sorry to hear of your loss of Delores.

*"I do not want you to be ignorant, brethren, concerning those who have fallen asleep, lest you sorrow as others who have no hope. For if we believe that Jesus died and rose again, even so God will bring with Him those who sleep in Jesus. For this we say to you by the word of the Lord, that we who are alive and remain until the coming of the Lord will by no means precede those who are asleep. For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first. Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord. Therefore comfort one another with these words.*

“ *Delores was such a blessing to me the last 3 years as our granddaughter of 6 years battled cancer and went home to be with Jesus. Delores was there for me in my dark days especially as we had Elizabeth's celebration a year and half ago. We shared our love of Jesus and love of our family; how much a blessing each one has been to her. She often talked of you Fred and what a wonderful, special person you are to love and care for her thru these years. Cherish each memory and don't be afraid to shed tears - tears are healing and given from God. Life is tough and I know you will miss her each day for years to come, just as much as you do right now. But each day will bring more memories to mind and smiles of her life as you remember Delores. Thank you for sharing her with us.*
