“ i still remember meeting denise for the first time, i was only 7 and new to the town. she didnt hesitate to make me feel like i belonged and has supported me up to me going into the career i always dreamed about- at 18 years old. she is truly the kindest person ever. denise was like a second mother to me, there for me when things were hard in my own home. she has the biggest heart and always made sure you were supported and encouraged in anything you did.

“ We met Denise and Allen many years ago in Florida. We are Canadians who were on vacation. Met them on a New Year's Eve cruise. How lucky to have been seated at the same table. We invited them to our home for a New Year's Day dinner and a friendship was formed. Allen had never had a Butter Tart (a Canadian treat), Denise really liked Ice Cream. We met them many times, all of them stayed in our home many times. We didn't meet as much as we would have liked, Denise would send pictures or call to say they were in Florida, where were we? It is a great loss of a lovely lady. Condolences to Allen, Stephanie and Taylor. As others have said, Denise will be missed.

“ Denise and I met several years ago years ago. Her first words to me was “ Heyy Girl” and I laughed. From that moment forward we became friends. We spent many hours laughing, sharing stories, talking about our girls, work, travel. On a good day, I would find her tanning and always walking the neighborhood. Denise loved her family unconditionally. She had a beautiful smile, a kind heart and a gentle spirit. To my friend- you fought a good fight, you have finished the race and you have your “Angel Wings” ; rest well in peace where there is no more pain.

“ Sue Gibson

I met Denise in 2011 at our girls' soccer practice. We hit it off immediately and remained friends since her passing. Denise was the best listener and also gave the best advice ever. I used to refer to her as my "trouble shooter" lol. She cared so much for others and I never heard her say a bad thing about anyone. She had such an outgoing personality and a great sense of humor and used to love our times of laughter. She was also one of the most optimistic individual I've ever met which was infectious because after our visits and talks, I would always feel so uplifted. I am going to terribly miss Denise as she touched my life and many others, I'm sure, in such a positive way. I can not be selfish though, because she is finally in a place with no more pain and full of joy, which she so well deserved. I send heartfelt prayers for healing and peace for her family and friends who dearly loved her. I miss you Denise and love you forever!

“ Denise and I spent a lot of time together when Allen's son and mine played football together growing up. We had a lot of fun watching, cheering and going out to many lunches/dinners. She fought a good fight and am so happy she is finally at peace. She will be missed. Prayers for healing and comfort.

“ I met Denise somewhere around 2005 or '06 through a previous neighbor, Sue Gibson. We would meet to enjoy long walks at Bay Creek or Grayson park. When we could find a pool (sometimes with another friend, Mary Gilpin), that was our favorite hangout spot. Denise was the kindest and most optimistic person I have ever known. I NEVER heard her say anything hateful about anybody. When I moved to TN in 2018, Denise was just beginning her battle with Cancer. Her will to fight and conquer was so admirable and she always sounded hopeful and positive. Her driving force was her two beautiful daughters, Stephanie and Taylor and her loving Fiance, Allen. The last time I spoke with Denise, was 6 days before she passed and it was a short call and I could hear the weakening in her voice. It was heartbreaking to say the least. My prayers are with her girls, Allen, her sister and Mother, in the days ahead. Everyone who was blessed to know Denise, will miss her terribly.

“ Nothing I can say will make the loss of Allen's Fiancée', Stephanie and Taylor's Mom or my beautiful niece less heart breaking. We are so blessed to have had Denise in our lives and so thankful for all the wonderful memories we have to cherish and help us all through this difficult time. With everything she went through for so many years it never broke her vibrant spirit. Your memory will live forever in my heart..Until we meet again, Aunt Penny

“ My Denise! What a tremendous loss! I cannot believe how unbelievably cruel life can be...I miss you already so much! Allen, Stephanie and Taylor, She loved you guys so much! Allen, she knew how lucky she was to have you as her partner in life! She adored you! Girls, you were the lights of her life! She faught so hard and for so long! Your mom was such a warrior! When things started to get rougher for her and they told her that there was nothing else they could do for her, you girls were always her goal! She'd say "They're going to try to get me to Stephanie's graduation", so they found another treatment! Then, when things got really rough, she said "They need to get me to Taylor's graduation", so she had them try a another treatment! Denise faught this battle with everything in her! She loved life so much! She loved every little drop of life! She loved people dearly and I was so lucky to be one of the people she loved dearly! I was so Blessed to have the honor of being called her "Best Friend" for over 40 years! I have so many beautiful memories with this angel! Walking down the boardwalk in Ocean City, MD, with my dad circling around us on that bicycle! Reenis P Butter Cup Sundaes at Friendly's! T.G.I.Fridays! Those beautiful braids! You loved ice cream so much! Who could forget us being the oldest girls at the Britney Spears concert! Every memory with you was so special! I know you wanted us to make more memories and it's so unfair that we only got 7 years more after you were diagnosed! I'll miss you every day for the rest of my life! You'll always be my BFF until eternity! I will cherish our friendship until I am reunited with you again, one sweet day, my girl! I love you to the moon and back! 🙏🏻

“ Denise and I have been neighbors for the last 11yrs. We have spent some summer evenings grilling, talking and debating HOA rules 🙄. Denise has truly been one of the strongest people I have known. Her ability to fight till the end for her girls. I will miss our debates and discussions about different restaurants, watching you cut the grass diagonally and keeping me updated on new neighbors. Sleep well doll and we will make sure Allen keep up with the tradition and definitely the grass. 🙏

“ Denise and the girls became a part of our family from the moment we met them years ago. She was truly a kind, sweet, loving person and will truly be missed at our family gatherings. Stephanie and Taylor, you both are very blessed to have had such a special mother. Know that she will always be with you in spirit as you continue your lives. Please also know that you both will always be a part of our family. We are here for you and, of course, for my little brother Allen. Love, Charli and the rest of the family

“ Our paths crossed the summer of 2007 at the pool in our apartment complex in Columbus, Georgia. I remember it vividly. Denise had just arrived to the pool with Stephanie, who we called Cabbage Patch, in tow. Over the course of the next year, we would enjoy long evening walks around the apartment, talks by the pool about NY, teaching, family, beach trips and military, the Giants winning the Super Bowl, and the birth of Taylor. Eventually we lost touch and reconnected in 2018 like we never lost touch. D was full of life and loved her girls and Allen more than anything. I will miss her friendship immensely.

“ Stephanie, Taylor & Allen I am so very sorry for your unimaginable loss. She was a generous, kind, beautiful person. In the 30 years I knew her, she never once forgot my birthday. Even though we somewhat lost touch over the years, I could always count on a birthday text from her. Jeni, hugs to you and your Mother. I will be thinking of all of you.
