“ My Sister, my Friend words cannot express how much i love you and will miss you. When I think of you, I see your beautiful smile and I think of all the laughter we shared. I love your family as if they were mine. I will be there for them, willing to help them in anyway I can. Most of all Dear Sister we share our Love for God, When I was trying to think of the verses in the Bible that most describe you, I was drawn to Proverbs Chapter 31 verses 10 - 31. I am only going to share a few of these verses: 25 Strength and honour are her clothing; and she shall rejoice in time to come. 26 She openeth her mouth with wisdom; and in her tongue the law of kindness. 30 Favour is deceitful, and beauty is vain; but a woman that feareth the Lord, she shall be praised. I know you are in a glorified body now and have no pain. I look forward to seeing you again, until then you will always be alive in my heart. I love you.##imported-begin##LINDA REYNOLDS MINYARD##imported-end##

“ To be absent from the body is to be present with the Lord. Denise is present with her Lord and her Savior. My prayers and the prayers of my family are with you today as you lay her body in the ground but remember she is not there she is with Jesus. We can all look forward to a happy reunion again with her. We love you and are praying for you.

“ Denise, We spent many years together and I can honestly say I have no memories that were less than a blessing. My heart breaks for your children and grandchildren, I know your heart and the love you had for them and I know the loss their hearts will feel from this day on. You were a blessing, to your family and friends alike, life is full of trials and tribulations but the love of your family and friends is a wonderful testament of the legacy you leave behind, because they live you will live on also.

To the rest of the Reynolds-Guffy Family, I am so sorry for your loss, rest in knowing that as the days pass beautiful memories will slowly replace the tears and loss you feel today. Until you meet again in Heaven stay strong and love one another. God Bless.##imported-begin##Connie Knight-Beers##imported-end##

“ *My very dear friend is no longer in pain. Our hearts are broken for our loss; But Rejoice at the homecoming she is blessed to be a part of now in her heavenly pain free body at her new address, never again to see the inside of a hospital. Now we must wait to hold her in our arms again. Until that glorious day, we will hold her in our hearts. My prayers are with the family I love so much. God bless each of you, your pain is our pain. We wish you blessings and love as we reach to with arms of comfort and strength.##imported-begin##Penny Deter##imported-end##*
